A great conference.
A privilege to be
part of it.
2017 Participant

Mission 2019: one heart many voices conference will be a place of gathering participants from many sectors and ministries. It provides the ideal platform for your organisation to showcase its community engagement, products and services to our audience. Your organisation can use this opportunity to increase your brand awareness among conference participants and partners and also reach the wider community working in diverse ministries.

As a major sponsor, the conference organisers ensured we had a prominent place in conference activities including the breakfast which was a great opportunity to build our relationships with the church and the wider community.

Conference

Continuing the dialogue and success of the last three conferences since 2013, the **Mission 2019: one heart many voices** conference will be held in May. It will celebrate and identify the graces, the inspiration and the challenges of living the joy of the Gospel and God's mission of mercy and leading mission in Australia and globally. This conference will continue to explore Pope Francis' vision for mission and is set within a spirit of communion, collaboration and dialogue – journeying together towards the extraordinary national Plenary Council in 2020.

Mission 2019: one heart many voices is for those who are inspired to strive creatively for justice, peace, reconciliation and God's mission of mercy. It is a unique opportunity to listen, converse and experience the many and diverse voices that are an expression of the one heart of mission. The conference will explore the complexity and issues surrounding leadership, formation, theology and the practice of mission.

Over three days **Mission 2019: one heart many voices** will be home to some of the many voices of mission with the hope to empower participants with a vision of mission that is scriptural and theological, enabling, encouraging and inspiring us all to take up the challenges the Gospel and Pope Francis lay before us.

All those passionate about mission and in leadership roles in parishes, communities, organisations and agencies are invited to come together and join a conversation that may enable us all to live the joy of the Gospel and lead mission.

Details of the Event

Significantly in our audience will be many Church leaders, heads of agency and senior managers from within the wider Catholic community representing various organisations, works, ministries and charitable sectors and over five million Australian Catholics.
